

## **WE WANT TO HEAR YOUR STORY!**

### **Kick the Stigma Story Submission**

In an effort to end stigma in all areas we are asking to hear your story! Tell us about a struggle that you have overcome or something you are currently enduring. These struggles can be about ANYTHING! We want to hear it all! Our hope is that by sharing your story it may help reduce stigma itself, give you a voice, and help others along their journey. Your story matters and we want to hear it!
