

# Performance-Based Contracting (PBC) Residential Provider Directory - Now Available

## ODP Announcement 25-056

### AUDIENCE:

Individuals & Families, All Interested Parties

### PURPOSE:

To announce that all Residential Providers have been assigned PBC tiers and the assignments are now available to view in a directory on the Commonwealth of Pennsylvania website.

### DISCUSSION:

The [Performance-Based Contracting Residential Provider Directory is now available at PA.gov](#). PBC applies to the Consolidated Waiver and the Community Living Waiver.

Individuals and Families can use this directory for additional information when making a choice of providers.

Providers are placed in one of the following tiers based on their performance in the areas described below:

- **Primary** for providers that meet current standards and a few additional measures.
- **Select** for providers that deliver at least two of the three residential services in the Performance-Based Contracting model and meet the additional measures.
- **Clinically Enhanced** for providers that offer clinically enhanced medical or behavioral supports and meet the enhanced measures.

The website also indicates if a provider is in conditional status due to a licensing enforcement action.
