DISCUSSION:

ODP contracts with Temple University Harrisburg to deliver the ODP CI Program. ODP and Temple University are conducting Certified Investigator Forums. These forums are an opportunity for current CIs and other interested parties to receive up-to-date information about the incident investigation process. During this forum, representatives from ODP and the CI Program will provide answers to questions submitted by stakeholders related to the certified investigator, administrative review, and peer review processes. Questions related

to specific incidents may not be addressed during the forum. If we have your contact information, we will contact you directly to provide a response.

The next session date and time is Friday, December 12, 2025, from 10:00 AM – 11:30 AM.
