

Now Available: Guidance for Reviewing Data for Performance Based Contracting Measures RM-IM 01.2 and 01.3

ODP Announcement 24-082 **UPDATED**

AUDIENCE:

Intellectual Disability/Autism (ID/A) Providers

PURPOSE:

To advise providers of the availability of the Office of Developmental Programs' updated *Guidance for Reviewing Data for Performance Based Contracting (PBC) Measures RM-IM 01.2 and 01.3* and the corresponding recorded webinar on MyODP. Updates appear underlined in red text.

DISCUSSION:

The Guidance for Reviewing Data for Performance Based Contracting (PBC) Measures RM-IM 01.2 and 01.3 has been updated to provide more detailed guidance to providers in the following areas:

- Accessing the Incident Reporting Overview Dashboard
- Step by step instructions that demonstrate how to use the Dashboard to review PBC measure RM-IM 01.2
- Accessing the Incident Management Review Report (IMRR)
- Step by step instructions that demonstrate how to use the IMRR to review PBC measure RM-IM 01.3

The guidance and recorded webinar can be found on MyODP at [Performance-Based Contracting – MyODP](#) in the Data Folder.

NOTE: Enhancements to the Incident Reporting Overview Dashboard and the Incident Management Review Report are currently underway and will provide a more intuitive user experience. The guidance and resources will be updated once the enhancements are implemented.
