WHAT TO EXPECT

Inspiring Keynote & Panel Discussions

Hear from survivors, caregivers, and professionals on financial planning, technology, and resource navigation.

Small Group Discussions

Discuss financial empowerment and explore assistive technology support options.

Resource Fair & Networking

Connect with vendors, explore assistive technology, and discover community resources.

Stronger Together Mixer

Close out the day over cocktails and mocktails. Connect with fellow brain injury survivors, share insights from the conference, and put the finishing touches on your toolkit.
