

## Residential Provider Performance Based Contracting: Preparation and Key Dates

### ODP Announcement 26-017

#### AUDIENCE:

Providers of Residential Habilitation, Life Sharing and/or Supported Living Services in the Consolidated and/or Community Living Waivers; All Other Interested Parties

#### PURPOSE:

To announce the upcoming data submission window for Performance-Based Contracting (PBC) to Providers of Residential Habilitation, Life Sharing and/or Supported Living services in the Consolidated and/or Community Living Waivers (residential services) for contract year 2026-2027.

#### DISCUSSION:

For contract year 2026-2027, providers will submit data and documentation from Calendar Year 2025 demonstrating that each performance standard has been met for Performance-Based Contracting. Providers may refer to the performance standards outlined in ODP Announcement 25-086, *UPDATE: Residential Performance-Based Contracting Performance Standards for Contract Year 2026-2027* for more information. **Providers will submit this data and documentation from February 16<sup>th</sup> to March 16<sup>th</sup> of 2026.**

ODP will hold a training for the MyPBC Portal system for Residential Service Providers on Thursday, February 5th of 2026. Providers may register to attend using the [MyPBC Portal Training GoTo Webinar link](#) or access the [MyODP Performance-Based Contracting page](#) for more information.
